DESCRIPTION

2024 GMC Canyon ELEVATION

The 2024 GMC Canyon Elevation is where premium style meets serious capability, creating a midsize truck that's ready for both urban streets and off-road challenges. With its commanding presence and modern design, the Canyon Elevation stands out with bold 18-inch black wheels, sleek body lines, and a signature LED lighting package that highlights its aggressive front grille. It's a head-turner whether you're navigating city traffic or hitting the open road. Under the hood, the Canyon Elevation is powered by a robust 2.7L Turbo engine, cranking out 310 horsepower and 430 lb-ft of torque, ensuring you've got the strength to tow, haul, or blaze new trails. The truck's refined suspension and available 4WD system give it the versatility to switch from smooth highway cruising to rugged, off-the-grid adventures with ease. Paired with a high ground clearance, it's equipped to handle dirt, gravel...
